TERMS AND CONDITIONS OF PURCHASE**

Supplement 2 – U.S. Government Contract Provisions from the Department of Defense FAR Supplement (DFARS)

1. When the materials or products furnished are for use in connection with a U.S. Government prime contractor or subcontract, in addition to CPI's Terms and Conditions of Purchase, General Provisions, and Supplement 1—U.S. Government Contract Provisions from the Federal Acquisition Regulation (FAR), the following provisions shall apply. The effective version of each Department of Defense FAR Supplement ("DFARS") provision shall be the same version as that which appears in Buyer's prime contract or higher-tier subcontract under which this Purchase Order is a subcontract, where "Buyer" means "CPI." In the event of a conflict between these DFARS provisions, or Supplement 1—FAR Provisions, or CPI's Terms and Conditions of Purchase, General Provisions, the DFARS provisions shall control. For the acquisition of commercial items under purchase orders placed in support of and charged to a DOD prime contract or subcontract, only the DFARS clauses annotated with "*" shall apply. For the definition of a commercial item, see FAR 2.101.
2. The following clauses set forth in the DFARS in effect as of the date of the prime or higher-tier subcontract are incorporated herein by reference. In all clauses listed herein, the term "Government," "Contracting Officer," and "Contractor" shall be revised to suitably identify the contracting parties herein and affect the proper intent of the clause or provision except where further clarified or modified below. However, the words "Government" and "Contracting Officer" do not change (1) when a right, act, authorization, or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or his or her duly authorized representative, and (2) when title to property is to be transferred directly to the Government. "Subcontractor," however, shall mean "Seller's Subcontractor" under this Purchase Order. The listed DFARS clauses are incorporated herein as if set forth in full text unless made inapplicable by its corresponding note if any. If any of the following FAR clauses do not apply to this Purchase Order, such clauses are considered to be self-deleting.
3. The Seller, by signing its offer, hereby certifies compliance with the following clauses and is, therefore, eligible for award. With respect to any applicable DFARS clauses incorporated into this Purchase Order relating to rights in noncommercial technical data and noncommercial computer software and noncommercial computer software documentation, the Seller grants to Buyer the right to use, disclose, modify, combine, or make derivative works of any noncommercial technical data, noncommercial computer software, and/or noncommercial computer software documentation delivered under this Purchase Order to the extent necessary, and for such period as is required, for Buyer to complete its performance under the Buyer's U.S. Government programs.
